Thank You!

Illusion Dance Center would like to thank all of you for helping make this year great!

To Our Studio Family

We want you to know that we love and appreciate every one of our students and their families. Without you, this year could not have been as wonderful as it was! We thank you all for your support, and we look forward to seeing each of our students continue to grow next year!

To Our Staff

Thank you is not enough! I have been so blessed to have each and every one of you be a part of this year. It has been such a blessing to have such a dedicated and caring staff. It is very apparent to us that each of you are passionate, not only for the art of dance, but about your students as well. You have all gone above and beyond this year, and for all of this, I am very grateful!

To My Friends and Family

What a wonderful dance year it has been! To my husband, Travis, thank you for always supporting me and for helping with props, repairs, and so much more! To all of our amazing friends and family, thank you for all of your help and support. Each and every one of you are a special part of Illusion Dance Center. I love you all to the moon and back!

With Much Love! Katie
